

Dr. Laura Louis

Keynote Speaker, Psychologist, Author

Love brings couples together and conflict divides couples, as a result of what Dr Louis does, couples are able to find the love they have lost. As the CEO of Atlanta Couple Therapy Dr. Louis provides counseling to couples, tranformational retreats and seminars. When you have problems in your relationship it affects every area of your life your productivity, your career and even your health.

Dr. Louis has over 10 years of experience providing a relationship blueprint for angry couples looking to heal after infidelity, cultivate better intimacy, and enhance communication. She has conducted hundreds of seminars transforming relationships worldwide including experience in Brazil, Mexico, Asia, Europe, Africa and Haiti. Affectionately called the Marriage Architect her book, Marital Peace, is a valuable resource to uplift distant couples out of marital challenges so that they can start experiencing love like you couldn't imagine. Not only does she provide her signature programs for corporations, community organizations, and universities, but she also trains other psychologists.
